

# Standard A5 9mm White (100)

4400022

## Product Description

With the GBC ThermaBind™ system, you can achieve a perfect-bound 'paperback book look' in seconds to give your documents a truly professional, 'published' feel.

The secret lies in the unique, pre-formed ThermaBind™ Covers containing a high contact adhesive strip. The glue penetrates into the fibres of the paper to form a totally secure spine and permanently bound pages that are great for filing, stacking and mailing. It's a quick, clean process with no need for fiddly holes, tapes or fasteners.

All ThermaBind™ Covers come with 150-micron transparent front covers for easy reading of the title page. You can then choose from three types of white back covers (Standard, Optimal or PET) or two types of embossed finishes – LinenWeave™ or LeatherGrain™ - enabling you to customise documents to suit the content, your audience and your company image.

## Features

- Come with a Silk White 240gsm back for extra rigidity.
- Can be stored in conventional archiving folders using a GBC FileStrip (up to 8mm covers only).
- Available in a wide range of sizes from 1.5mm up to 50mm so you can bind from 15 to 440 sheets.
- Available in A4 and A5 sizes.
- Feature a 150 micron, transparent PVC front cover for easy reading of the title page.
